Catholic Education introduces New Fee Discounts in 2017

Important information for means-tested Australian government
Health Care or Pensioner Concession Card holders

In 2017 Catholic Education will introduce a new school fee discount to further support families in our schools. Our policy on school fees states that, no student should be excluded from a Catholic school because of the inability of their parents/carers/guardians to pay the prescribed fees.

From Term One 2017, parents/carers with an eligible means-tested Australian government health care or pensioner concession card will automatically receive a 70% discount on tuition fees (does not apply to school levies). This initiative is intended to assist those families who genuinely lack the financial capacity to pay tuition fees in full.

What if we don't have a Health Care or Pensioner Card?

Families who are experiencing financial hardship, and may or may not hold a concession card, are encouraged to discuss alternate fee discounts directly with the school principal, who will treat the situation confidentially.
