**RE: 2017 Book List**

Dear Parents & Caregivers,

Can you believe it - the 2016 school year is drawing to an end and preparations for the 2017 school year are underway! Please find attached the school's 2017 booklist for year 7.

The booklist is compiled by teachers and shows the materials students will require next year.

In addition to the booklist it would be a great idea for you to purchase 'Top Load Attache Files' as per the below picture - available at Office Works. There are 10 colours available and you will need to purchase 9 of these - black colour is not needed. To assist your child with their organisation of books for subjects, during the first few weeks of Term 1 we shall provide them with a pocket-sized coloured laminated timetable - similar to the sample timetable below.

Please feel free to phone me if you have any further questions.

*Kind regards,*

*Aleysha Ferlazzo*
