Technology Levy

Currently, an annual Technology Levy of \$100 per student (to a maximum of 2 students per family or \$200) is charged for technology capital purposes.

College Building Levy

Families will appreciate that there is a substantial cost to the Diocese in maintaining and developing the existing school buildings. It is necessary to raise capital income to service related debt or to otherwise support capital works. Each family will be charged a building levy of \$496 in conjunction with normal school fees billings except where families have children attending a diocesan catholic primary school. As this amount forms a collectable part of school fees no tax deduction is possible.

School-Based Levies

School-based levies are charges for curriculum resources and library books. These levies are set at 25% of the non-discounted tuition fees per student.

Specific Purpose Charges

Specific Purpose Charges include costs for the student laptop program and charges for consumable products and photocopying.

Parents & Friends Levy

This contribution supports the work of the P&F Association and is in lieu of all other P&F fundraising.

Other Costs

These costs relate to compulsory full grade camps (Year 8) and the end of school year excursions. Year 11 and Year 12 end of year activities are not determined until a later date.

Incidental Costs

Incidental costs such as voluntary retreats, subject related trips and sporting/extra-curricular activities are additional to school fees. These costs will be payable through Parent Lounge.

Financial Hardship

It is the policy of this school that no student should be excluded from being enrolled or continuing to be enrolled due to the inability to pay full fees.

Concession Card Discount - Parents/carers with an eligible means-tested Australian government health care or pensioner concession card will automatically receive a 70% discount. **Please note that the Concession Card Discount only applies to Tuition Fees and not to levies and charges.**

Furthermore, new or existing parents, who are experiencing financial hardship, and may or may not hold a concession card, are encouraged to discuss alternate fee discounts directly with the Finance Manager, who will treat the situation confidentially.

Family Discount

Below you will find the discounts available on the Tuition Fees depending on the number of students in the family attending diocesan schools. A Family Census Audit form must be completed and returned to obtain family discounts and to comply with Diocesan Catholic Education Office and government audit requirements. **Please note that Family Discount only applies to Tuition Fees and not to levies and charges.**
