Welcome to the Rockhampton Water Polo website. Our organisation offers water polo fun for the whole family through our Flippa Ball, Secondary Schools, and Open competitions. We always welcome new players; no experience is needed to play as our organisation provides opportunities for you to learn the game. We regularly send teams away to competitions around Queensland, catering for those who have advanced skills. Volunteers and referees are also always needed and welcomed! Our Flippa Ball program is co-run with Aqualification at the Northside Pool (330-360 Berserker St) on Thursday nights. Flippa Ball allows primary school aged children the chance to play a modified version of water polo, primarily within the shallow end of the pool.

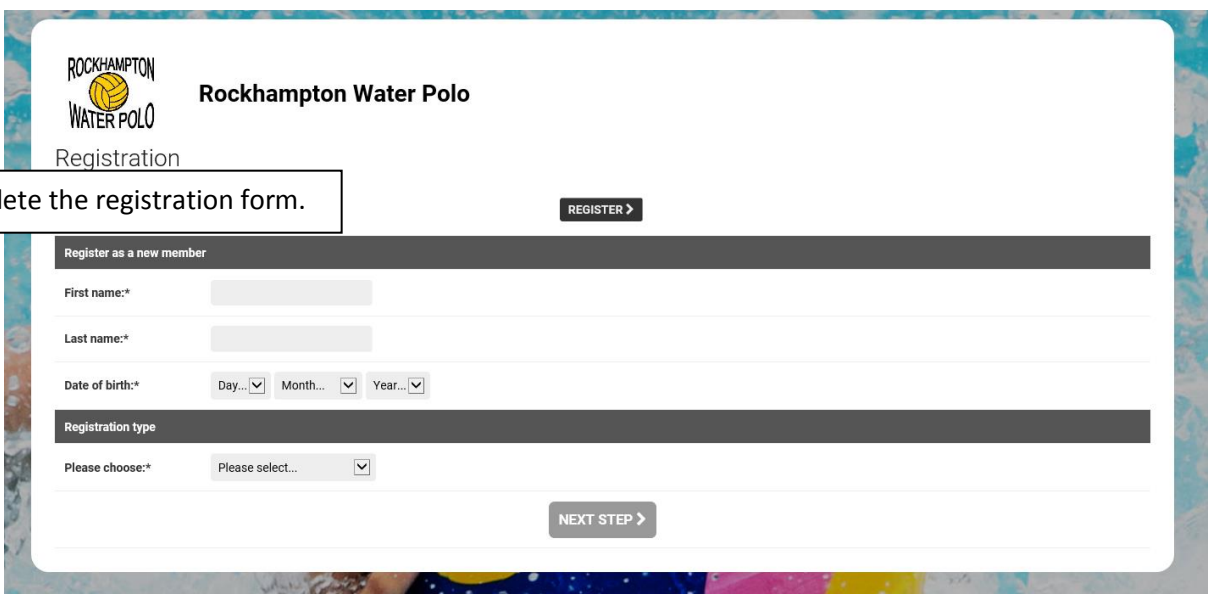

Our secondary schools competition runs on Monday nights at the Rockhampton Grammar School pool (Archer St) during Terms 1 and 4. If you are interested in playing and your school does not have a team, please contact Rockhampton Water Polo as we can help you join an existing school team.

Our open competition allows adults of all ability levels and more advanced secondary school players to compete in a fun, social environment. Run on Thursday nights between October and April at the Northside Pool (330-360 Berserker St), players are organised into teams which encourage friendly competition. You can bring your own team (e.g., corporate, social group) or can join in with one of Rockhampton Water Polo's teams. New members are always welcome to join throughout the season.

For more information about our competitions, click on the appropriate tab on the website. If
